Work Experience

As a web developer, I have built many projects like Project Celesto, Project BeInFomaniac, Learning Zone, Cosmo-Cart. Recently I made a tour and travel website for my brother named Enticing Holiday. In this website I have created lots of elegant forms and pages.

Why Me?

Why not me! I not only have a evergreen passion for coding but also have granted it as my future wife. I am trying to evolve myself with newly emerging languages and its frameworks like Tailwind CSS and Bootstrap. I always aim to deliver my projects on time with unlimited revisions until my client's 100% satisfaction.
